

The Dingo

Chapter 1 by Story Wars

We were sitting on the couch. I said, "Will you please go upstairs and get my fiance? He's my baby." Then, the other woman who I was sitting with said, "The dingo ate your baby." I started to laugh really hard, but she just kept a straight face. "What did you say," I asked again, still laughing a little. She said, "The dingo ate your baby!"

Okay that was a weird story. You guys can go on youtube and look up 'the dingo ate your baby'. That's where I got that weird idea to write the story.
